

FESTIVAL OF MUSIC ORCHESTRA AUDITION REQUIREMENTS

Audition time is approximately 10 minutes. No accompaniment is required.

Audition Requirements for all instruments:

1. Excerpts are available at www.festivalofmusic.org.au/orchestra for students to download and learn to present at the audition (excerpts available from 20 October).
 - Students will be required to prepare **ALL THREE** excerpts for the audition.
 - Each excerpt is designed for a particular purpose so please look at all musical concepts and ensure they are played correctly.
2. Students are also asked to present 1 piece of their own choice to **demonstrate their ability**. Please provide a copy of this music to the audition panel upon arrival – this music will be returned at the end of the audition.
3. Please see the attached sheet for the ranges required.

NB: Electric Guitar and Electric Bass students need to bring their own lead and instrument. An amplifier will be provided. A standard piano will be provided for keyboard (piano) students.

For Percussionists:

It is expected that percussionists will play the full range of general percussion and drum kit music in the repertoire. A drum kit and all required percussion equipment will be provided.

The following pages list suggested ranges and other information to assist you.
