

Here's what you need to know!

# CHOIR CONNECTIONS TERM 2

## THESE ARE IN PLACE OF ASSESSMENT VISITS...

Our Choir Connection is an online meeting with you, or your choir - whoever is in your school on the set day and time. Your HPI choir teacher is welcome to connect with us too - we just need their phone number....

## AND...

It might last for the full hour, it might be a 20 minute catch up, and that's ok....

## WHAT IT WILL LOOK LIKE...

We could start with a couple of warm ups together.  
We could chat about which song/s you are enjoying, or find a challenging part in a song to workshop together  
We might hear you sing - one, two or three songs accompanied by the backing track.

## THEN...

We can answer any questions from you and your students about the songs or the Festival SING 2020! Movie

We are here to help and support you!

## FESTIVAL SING 2020!

Share with your Principal, teachers, choir families and the whole school community that PSMF Choir is continuing - we will keep making music, singing and performing in 2020!

Your school has already paid for choir - and it won't cost any more \$\$\$

## FESTIVAL SING 2020!

Please let us know ASAP if your choir rehearsal time differs from the time allocated on the Choir Connection Grid for Term 2 - we will try to reschedule your time.

We are still here - the Festival of Music is still happening in 2020!!
