REGIONAL SCHOOL BUDGET INFORMATION FOR CHOIR 2021

The accompanying attachment details the costs of affiliation for 2021 to help with your school budgeting.

All charges attract 10% GST which you can claim back from the ATO.

You will also need to budget for 2 x TRT days for Conference 1, and 1 x TRT day for Conference 2 should you wish to attend.

Student Learning Materials are purchased by you (based on the number of students in your choir), then reimbursed by your students, so you will need to factor in an upfront cost which will be recoverable by you. The same applies to the Festival of Music t-shirts should your choir decide to wear them.

For regional/remote schools who come to the Adelaide Festival either individually or as part of a Regional Row:

You will need to factor in additional costs for:

- buses to and from Adelaide (you are not required to attend the Magic Millions rehearsal)
- accommodation for students whilst in Adelaide

Parents will need to be reminded of:

- petrol costs to and from Adelaide
- accommodation costs for families coming to view the performance
- ticket prices - \$40 in 2019

***** Soloists *****

As a Regional Affiliate you can send any potential soloists to the auditions for the Adelaide Festival, as long as they are from a Department school.

Please be aware that this will require additional support/time from Choir Teachers and parents.
