

The SAPPS Choir

Dear Choir Teachers,

DO YOU HAVE ANY TALENTED CHORISTERS?

We would like you to invite your talented choir students to audition for the South Australian Public Primary Schools' Choir, also known as The SAPPs Choir – the showcase choir for Public Primary Schools in South Australia. This choir has been the main recording choir for the Festival of Music Song Book since 2006.

This is a fantastic opportunity for kids who love singing and aspire to singing “bigger and better” than the average choir member.

The choir challenges and extends students' vocal skills and techniques, offers a wide variety of repertoire and provides performance opportunities beyond that offered in most schools.

The SAPPs CHOIR offers –

- ♪ Absolutely **fantastic conductors** – **Cathy Lange and Gaby Freer.**
- ♪ **Very affordable membership** – This year it was \$200 per year, (\$100 school card) plus \$30 refundable music levy.
- ♪ **An easy access rehearsal venue** – **PSMF Office, Klemzig.**
- ♪ **Term time rehearsals every Monday afternoon** – 4:30 to 6:00pm.
- ♪ **Amazing performance opportunities** throughout the year.

Auditions will be on **Wednesday 4 November and Tuesday 10 November (Weeks 4 & 5)** at the PSMF Office, 28 Hay Street, Klemzig from 4:00 – 5:30pm.

Please target those ‘budding’ singers in Years 4, 5, and 6 and give them the opportunity to start in the South Australian Public Primary Schools' Choir in 2021.

Attached is a Parent Information Letter for you to make copies of and hand out to students that you think might benefit from being in a choir such as this.

Thank you for your support and for encouraging your choir students.

Hope Festival Sing 2020 is ramping up in your school.

Kind Regards,
