

Student Activities - Why not check out Festival Choir 2022 while you are at home.

Go to the [Choral Repertoire tab](#) on our website to hear 6 of our songs in their original format. You can listen and start to learn how they go before you go back to school 😊

FESTIVAL of MUSIC

A school based choral education program brought to you by the SA Public Primary Schools Music Society and the Department for Education.

Register for Conference 1 → Combined Choir Rehearsals →

INFORMATION FOR TEACHERS

Primarily for Choir Teachers and Accompanists. It includes information for current HPI's and Teacher Resources. Learning resources are Password Protected.

INFORMATION FOR STUDENTS

For students and by extension their parents. All learning areas are Password Protected.

WHAT IS THE FESTIVAL

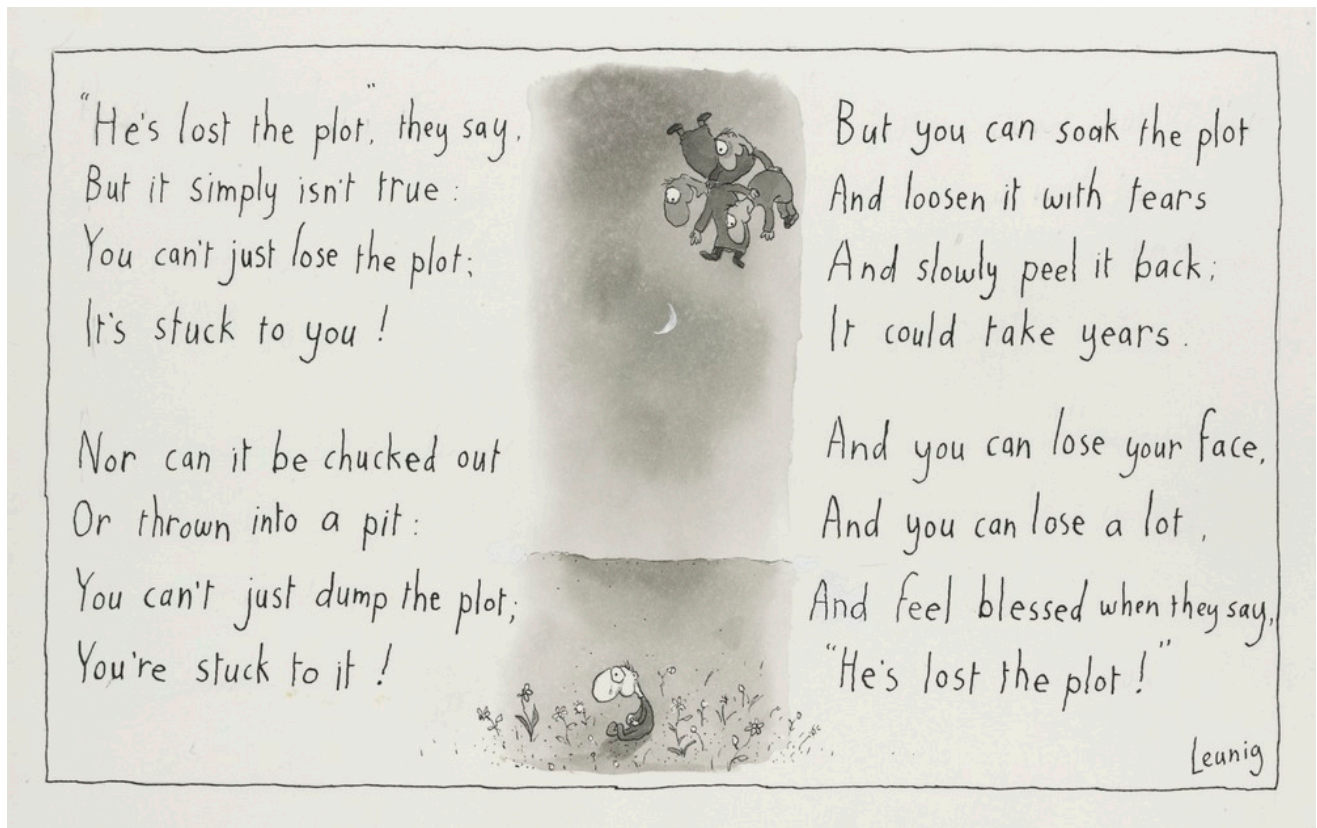

Here are a few activities you might like to do while you are remote learning.....

City of Music – this is a BRAND-NEW SONG that begins with the sound of the St Peter's Cathedral Bells in Adelaide – have you heard them before?

https://youtu.be/HVf_EwZ5eGI St Peter's Cathedral Bells
and
<https://youtu.be/mJzRxGitvCY> St Peter's Cathedral Bells

Lost the Plot is an Australian song – here are the words that you will sing 🎵 🎵

They appeared in this text written by Michael Leunig and Paul Stanhope used them in his song.

Do you love 'SPACE' and learning about the planets and the sun and the moon?

Have you been to the Space Discovery Centre on North Terrace?

Have a look at this website - <https://spaceplace.nasa.gov/menu/play/>

One of our songs is called *When Galaxies Collide*

https://viewspace.org/interactives/unveiling_invisible_universe/interacting_galaxies/future_of_the_milky_way

<https://spaceplace.nasa.gov/menu/space/> What is a galaxy?

Another song is *Stargazers* <https://spaceplace.nasa.gov/star-cookies/en/>

Check out the Astronomy picture of the day <https://apod.nasa.gov/apod/astropix.html>

Humans in Space – BTN has some great clips to view -

<https://www.abc.net.au/btn/classroom/humans-in-space/10526760>

Wau Bulan – This song comes from Malaysia.

Why not try making your own little Wau Bulan – origami style.

<https://youtu.be/Gw-96xcbgDU>

Wau Bulan outline from an old OZ Asia to colour in or copy.

Here's the link, https://www.abc.net.au/reslib/201308/r1153355_14472980.pdf

and a QR Code to the picture

Singing is great for our health and well-being – Have a go!!!

Here is a fun warm-up to get your body loose and ready to sing!

https://www.youtube.com/watch?v=u_Yis7UlgEg&t=59s

<https://youtu.be/1XHZeZdnLOA> fun singing warm-ups with Cheryl Porter

and here's a cardio blast Bollywood warm up: <https://youtu.be/KUmKKPcf71Q>
Everyone in the house might like to try it!

We look forward to seeing you in your school choir later

in the term and hearing you sing 🎵
