The Elbow-Sneeze

Treble Unison with Piano

Words and Music by Annie Kwok 2013

AH-CHOO! Ooh, yeah!

We're fightin' the crime
against green-coloured slime
It's all the snotty and grotty
and lumpy and bumpy and gooey!

The slippery goo from the one "A-TISH-OO!"
The sneeze that's germy and squirmy,
full of boogie, not-so-woogie
is the sneeze that we don't want from you!

If we really want to care
That's not something we should share
stringy bits of our sneezing goop
is not the same as, "I love you!"

The Elbow-Sneeze is the latest thing,
the Elbow-Sneeze - it's got such a nice ring
the classy move is so in the groove, so do the bend
(*Ah! Ah! Ah!*) and "A-TISH-OO!"

The Elbow-Sneeze is the latest craze,
the Elbow-Sneeze, won't cease to amaze!
There's no more, no more green to be seen
there's no more, no more green to be seen
there's no more, no more green to be seen
and that's cool! (*Doo doo...*)
Say no to goo! (*Doo doo...*)
Oh yes we do! (*Doo doo...*)

The Elbow...*Ah! Ah! Ah! Ah!*... Sneeze! *AH-CHOO!*
