

STUDENT WHEELCHAIR ACCESS
ADELAIDE ENTERTAINMENT CENTRE ARENA
This plan is generic – each student may have specific plan.

Enter via the main entrance off Port Rd and head towards the main foyer. Veer to the left past the food outlet and wait at the door as there's no public access into the rear foyer.

Wait there until you are met by one of your teachers/staff members.

The staff member will then take the student to the back of the foyer to meet with others from your school.

Student will be **met and escorted to their schools' home base area**, where they will meet the Assistant Stage Manager who will explain how to get on and off stage.

Student and carer will be escorted to the **stage**. Carers (dressed in black) will be seated on the stage where they can have easy student access if needed.

After the performance: Leave the stage, the same way as entered and meet parents/family at foyer where student was dropped off.
