Dear Principal and Staff,

We would love to invite your school to be part of the Primary Schools Music Festival '**Festival of Music**' Choral Program in 2026.

This South Australian tradition has been bringing schools, students, and communities together for generations – and we'd be delighted for your students to share in the experience.

Here are just a few of the benefits for your school:

- **Builds confidence & joy in learning** – students experience the thrill of singing on stage as part of a large choir, developing self-belief and pride.
- **Supports curriculum & wellbeing** – resources are linked to the curriculum, helping students grow in creativity, resilience, and teamwork.
- **Professional support for teachers** – access to workshops, training, and teaching materials, and even an **Hourly Paid Instructor (HPI)** to run choir sessions if your school needs it to make it easy to run a successful choir.
- **Affordable & accessible** – low student participation fees, options for funding, and Department-supported teacher hours mean it is possible for all schools.
- **A South Australian tradition** – students join thousands from across the state in an iconic event that connects generations and celebrates community.
- **Inclusive & collaborative** – every child's voice matters, and being part of the choir fosters belonging, teamwork, and cultural understanding.

We hope your school will join us in 2026. Please don't hesitate to contact us if you have any questions – we'd be happy to talk through the details and support you along the way.

Warm regards,

Irene Solowij
